

About Us

Started in 2006, we are now a 300 strong group of passionate people working together to make Codorus State Park a wonderful outdoor destination.

Our purpose is to support the park with funds that we raise from member-led projects and events in the park and with our volunteer time. Our donations to the park fill gaps in what is needed in the park and what the state provides to park management.

Our Accomplishments

- Contributed \$35,000 for the construction of a pavilion.
- Acquired a \$60,000 grant and contributed \$125,000 for the renovation of the Black Rock Lodge.
- Funded the construction of the campground playground.
- Removed hundreds of hazardous trees in the campground.
- Removed invasives species from throughout the park.
- Engaged more than 1,000 children at our Easter Egg Hunt and Breakfast with Santa events.

Our Mission Statement

The Friends of Codorus State Park is an all-volunteer, non-profit group working to improve the park in order to provide recreational and educational opportunities for current and future generations.
